Key Tower

The Jet Key Tower Display is the perfect way to merchandise your key duplicating service to your customers. The attractive, colorful header towers over 40-inches above the counter, making it easily seen from points throughout your store.

The four-sided rotary key display rack features 342 key blank hooks and allows for quick, easy selection and duplication of key orders. Preprinted location cards slip behind the hook racks for easy placement and retrieval of key blanks, and for effective inventory control. An easily accessed storage door in the tower provides for convenient key blank storage.

The key machine, ordered separately, fits neatly into the base of the display, providing an attractive, self-contained key duplication center. The display's small foot print utilizes only 2 square feet of counter space.

Size: 20" W x 39" H x 17 1/2" D

Front cut-out height 10" (dimensions approximate)
